## *2024 Cultural Youth Summer Camp*

**Sacramento State University**

**June 26 – June 30, 2024**

Dear Parents and Students,

We are so excited to invite you to attend the 24th annual Lusio-American Education Foundation Cultural Youth Summer Camp, held at Sacramento State University **from Wednesday, June 26<sup>th</sup> to Sunday, June 30<sup>th</sup>**. **All students ages 13-17 are invited to attend.** Camp gives students the opportunity to learn about the college experience and Portuguese culture, while developing new friendships with other campers.

We are in the process of planning exciting workshops, folk dancing sessions and action-packed activities. Along with a university tour showcasing the different departments, and inviting a number of guest speakers. Our competent and self-motivated planning team is excited to show our youth what they have been working on, and we're sure it will be our most exciting camp yet!

Please feel free to give our contact information to anyone who may be interested in attending our summer camp, so that they may reach out with any questions and request an application. Please remember, you do not have to be a member of Lusio-American Financial or be of Portuguese decent to attend. Portuguese cultural activities are paired with workshops and activities on student housing, residential life, financial aid, scholarships, college applications, course selections and enrollment procedures. Students also have the opportunity to explore the college campus' area through our field trips

The cost of the camp is \$500, but if you are a member of the Lusio-American Education Foundation, you will receive a 10% discount on registration. **Please mail your registration form with a \$50 deposit check to our address shown below.** This deposit is due by March 30, 2024, and the remaining balance is due by May 10, 2024. If you need financial assistance, please contact the office for more information.

Please note that camp fees do not cover the total cost of camp, so camp donations are always welcome!

If you have any further questions, and would like to become a member of the Lusio-American Education Foundation please email us at [education@luso-american.org](mailto:education@luso-american.org) or call us at (925) 828-3883.

We look forward to seeing you this summer!
